Youth, 15, Drowns In Long Lake On Sunday

Victim, Steve R. Riddle, Slips On Bank While Playing Game of Tag

The area's second drowning of the season was reported about 1:15 p. m. Sunday, when a 15-year-old Pontiac Beach youth, Steve R. Riddle, slipped and fell in Long Lake while playing tag with two other boys.

The early morning game was being played on the bank of the lake as the trial of youths, who were camping out for the night in a tent in the Riddle boy's back yard, at 4061 Lake drive, decided to go for a stroll after seeing lights of fishermen on the lake.

road, surveying the demolished building is Police Capt. Joseph Kastelic. Steel beams, brick, a metal sign and furniture from the second floor cascaded onto the auto. (Other picture on page 2).

Companions Summon Aid

Upon reaching the shore, the two hysterical boys called for help, and the Long Lake Volunteer fire department rescue squad put two boats with 10 men on the lake to continue the search.

The Riddle boy's body was found near an anchor, just as dawn was breaking about 5:15 a. m. He was located about 20 feet off shore seven feet of water. It is believed the boy, known to be a good swimmer, was hampered by his clothing.

The drowning occurred about a quarter mile from the Riddle boy's home, about 100 feet north of Pontiac road. His home is located on the west side of Lake drive in the first block north of Pontiac road.

Sophomore At GCBS

The victim was a sophomore at Granite City high school, as were his two companions. He was a native Granite Cityan and the son of Mr. Esther Riddle and the late Lorin Riddle. His mother is employed as a saleswoman at the local J. J. Newberry Co. store.

Other survivors are a sister, Miss Faith Riddle, 18, and a brother, Richard Riddle, 17, and a grandmother, Mrs. Ella Foley of Leaksville, N. C.

An inquest will be conducted by Deputy Coroner Henry Pieper, but the date has not yet been set.

Holiday Traffic Toll - 23 Hurt In 31 Accidents

Gasoline Fumes Ignite, Set Fire To Man's Clothing

Severe burns to both legs and hands were suffered by 23-year-old Wayne Royer, 2155a Delmar avenue, whose clothes caught fire when gasoline fumes ignited this Sunday afternoon while he was cleaning the transmission of his auto in the basement at the home of a brother-in-law, Jesse Martin, 2405 Madison avenue.

Martin ran to Royer's aid and pulled off his blazing shirt, and the grass and put out his burning trousers. He was taken by ambulance to St. Elizabeth Hospital and was admitted for further treatment. The fire department was not called.

It is believed the gasoline fumes were touched off by an antique, but water heater, as no one in the basement was smoking, it was learned from the family.

Royer, a bridegroom of two weeks, missed a belated wedding given Sunday evening by the family for him and his bride, the former Miss Barbara Courtney. He told the family to go ahead with the affair, they said.

He is employed in St. Louis as an apprentice painter for an advertising sign firm.

Serious Mishaps Occur On Highways Outside Quad-Cities Area

A total of 31 traffic accidents in which 23 persons were injured was reported for the holiday weekend in the Quad-Cities area by local, county and state authorities, and while at least three of the victims were hurt seriously, no traffic fatalities were recorded for this area.

Many Quad-Cityans preferred to spend the long weekend at home and not risk becoming a holiday statistic, but traffic was intense on local streets and nearby highways, accounting for the numerous traffic mishaps.

A caboose of a Terminal Railroad Association train operating reverse and an auto being driven south on Washington avenue collided about 4:30 a. m. yesterday, injuring the three occupants. The auto was taken to St. Elizabeth Hospital for treatment at the local hospital for bruises and contusions. The auto was towed away.

The motorist, Clyde King, 36, of St. Louis, said he was driving south, and the train, with Leo Masadowski, 42, of Hazelwood, Mo., as engineer, and Clarence Hand, 32, of 608 Fillmore street, as fireman, was traveling east. King and Mrs. Pearl King, 32, of St. Louis and Geraldine Virginia, 22, of 1211 Hill street, East St. Louis, were given emergency treatment at the local hospital for bruises and contusions. The auto was towed away.

Bi-State To Study Proposal On Transit

Secondary Airport, \$5 Million Grain Elevator Also Before Agency

The Illinois-Missouri Bi-State Development Agency voted Thursday afternoon to consider a proposal by James H. J. McNary, supervisor of St. Louis county, that envisions ownership by the agency of a metropolitan transit system serving both states of the river.

Appearing before the 10 commissioners, McNary said his proposal was economically feasible inasmuch as public ownership would avoid federal and local taxes, which he estimated at \$4 million annually.

He expressed the opinion this would be an improvement on the plan, as well as extend and improve transit service now being provided by a multiplicity of firms.

Loss of tax monies currently paid by the privately owned systems would have to be made up by taxpayers in some way, McNary conceded, but the public should be more than "equally" compensated through improved service and possibly lower fares.

"There are two ways to operate transit systems," he said, "private ownership or public ownership, and in the latter field the Bi-State Agency is the best qualified. It already has done the necessary authority."

Referring to the private transit systems in St. Louis and Missouri county, the supervisor agreed they are rendering "reasonably good service," but he thought it could be improved, especially if all systems in the metropolitan region were integrated under one ownership and one operation. While he also favored acquisition of all river bridges in his proposal, McNary replied in answer to a question for the transit plan should not be contingent on this.

McNary said he had accumulated considerable information to support his proposal, but suggested that the agency should "explore all the facts."

"While he had no data on transit facilities or services in the Illinois area, he said that he felt very strongly "this area should definitely be included in any plan."

Self-Defense Frees Fisher Boy Of Murder Charge

David Luther Fisher, 16, of 2028 Bechtel avenue, Madison, was found not guilty of a charge of murdering his 51-year-old father, last March 21 at their home near Mitchell.

The jury of seven women and five men deliberated about six hours Saturday night, returning the verdict to Circuit Judge Joseph Barr about 1 a. m. Sunday.

The boy was freed and accompanied by family home.

His attorney, Austin Lewis, was successful in asking the court to throw out a written confession as evidence, stressing the boy was under a strain at the time it was taken. He based his defense on an accidental shooting in the initial firing of a shotgun by the boy and on self defense as pistol shots were fired.

Assistant State's Atty. Burton E. Harnett pointed out during the trial that the boy was calm and collected and showed no remorse when questioned at his home immediately after the shooting and later at Edwardsville. He also showed the jury a photograph of the boy's jacket bearing a legend "King of the Lone Wolves."

Those testifying for the boy were his mother, his three sisters, including 22-year-old Elsie, and his brother, 17-year-old John. The trial opened Monday, June 27.

Woman Hurt Seriously

Mrs. Rosalie Sellers, 22, of 2028 Bechtel avenue, Madison, was injured in a two-car collision Saturday evening when admitted to St. Elizabeth Hospital for treatment of her injuries and a lacerated lower lip suffered in an auto accident. Her condition has improved.

Granite City police reported that Mrs. Sellers was driving west on Highway 162 in the center lane and swerved into an oncoming car to avoid hitting a car which had entered the highway from the Granite City Steel Co. Blast Furnace department parking lot. The front of the auto was damaged.

3 Hurt Near Mitchell

Three St. Louisans suffered serious injuries in a two-car collision near Mitchell on Dwyess U. S. 40-66, about three-quarters mile east of U. S. Highway 67A about 9 a. m. Sunday.

They were George Hoffman, 74, 1041 Courtney blvd., driver, and his passengers, Helen Hoffman, 40, and Kenneth Dressing, 46, who were taken to St. Elizabeth Hospital for treatment at St. Elizabeth Hospital here and transferred to St. Louis. Two persons escaped injury in the other auto, which was driven by John H. Murphy Jr., 22, of Pekin, Ill.

Bi-State To Study

(Continued from Page 1)

Metropolitan-wide transit planning

After hearing the supervisor the commissioners adopted a resolution to proceed with the possibility of having a recent \$550,000 St. Louis-St. Louis county transit report extended to cover the Illinois Metropolitan Area. Supervisor McNary also was requested to furnish what additional information he had in his possession.

Secondary Airport

At the request of representatives of the St. Louis Airport Commission, the Bi-State Agency took under advisement a proposal to establish a secondary airport in Illinois, close to downtown St. Louis, for executive-type aircraft and cargo planes.

Vincent J. McMahon, airport commissioner, said the logical location would be in St. Clair or Madison county, adding that it is the only major city in the nation without a secondary airport.

Both he and McMahon also asked the agency to look into the possibility of establishing a 4500-foot landing strip in St. Louis near the downtown.

Mention was made of the possibility of using some of the St. Louis Airport Commission's \$80 million in unissued bonding power, via the Bi-State Agency, to help get a secondary airport started.

Grain Elevator As Docks

After months of study and negotiation, the Bi-State Agency executive committee was empowered to work out lease terms on a proposed \$5 million, 5 million bushel grain elevator to be constructed at the Granite City harbor for a large corporation. The terms, if agreed upon, will be submitted to the full commission for final approval.

It was reported that the elevator would permit the handling of as much as 16 million bushels of grain annually and, in addition, would have related farm market facilities. About 10 acres of land would be required north of the agency's present dock area.

Terms of the lease are to provide sufficient revenue to amortize the project over a reasonable number of years, and also cover contingencies. Establishment of the grain elevator, commissioners felt, could make this one of the grain centers of the nation.

Erle Ann Mills Wins

A crowd estimated at 400 to 500 saw Erle Ann Mills, 7, of 2104 Cottage avenue, win the talent contest sponsored Sunday night by the Granite City park district. She sang her way to the prize, Miss Sheila Graham, chairman of the program, announced.

Other winners were Shelly Rayburn, 7, of 2414 Hodges avenue, acrobatics, second place; Al Stevens, 7, of 2510 Edison avenue, dramatics third; Marilyn Weckman, 10, of 2508 Wayne avenue, baton twirling, fourth; and Cheryl Dorch, 12, of 2332 Hodges avenue, singing and guitar, fifth.

Judge for the event were Mrs. Parker Bigley, supervisor of St. Louis Welcome Wagon; George Abell, a television announcer, was master of ceremonies.

Nameoki Tax Collection Ends; Half Million

Of the \$587,700 total tax bill for Nameoki township, approximately \$50,000 was collected through the city license collection, according to Harold Massa, township tax collector.

The books have now been returned to the county tax collector's office in Edwardsville, and payments may now be made there.

Minor Accident

A minor accident in the 2700 block of Madison avenue was reported last night to Granite City police. The mishap occurred at William A. Butler, 77, of 2715 Madison avenue, was backing his auto out of the driveway when he hit the bumper of a parked car belonging to Elmer Beer of Edwardsville.

Posters Win OK From Judge In Liquor Test Case

Granite City retail liquor outlet did not have to maintain a 1000-foot separation distance. That was the decision handed down at Edwardsville Friday afternoon by Circuit Judge Harold Clark in a mandamus suit brought against the Granite City municipality by Mrs. Joseph Postar, who previously had been refused an application approval to open a package liquor store at Nameoki road and St. Clair avenue.

In reaching his opinion, commanding the city liquor commission to approve the package store application, Judge Clark said he found the disputed 1000 foot passage in city liquor control ordinance to be "unreasonable."

He ordered Mayor Leonard R. Davis, as a city liquor commissioner, to approve a Class B liquor license for Mrs. Postar and her husband, Joseph, who operate a tavern in the downtown district.

Previously, city officials contended that the municipality's contested ordinance gave them indirect authority in limiting the number of package liquor outlets. The 1000 foot restriction, they stressed, was a form of "prior restraint."

The mandamus suit was filed by the Postar's attorney, Morris Chapman, after the city council turned down an amendment to the city's liquor control ordinance, submitted by Mayor Davis, to eliminate the thousand foot spacing restriction.

Mr. and Mrs. Postar plan a package store within 1000 feet of the Rosebowl restaurant, which also serves alcoholic beverages.

Woman Injures Back; Falls At Race Track

Mrs. Emily Porzini, 65, of 1231 Grand avenue, Madison, was transferred to St. Mary's Hospital, East St. Louis, from St. Elizabeth Hospital early Friday morning, after a fall at Cahokia Downs Race Track caused pain in her lower back and right leg.

Wanda Smith, 3, daughter of Mr. and Mrs. Menford Smith, 2120 Nevada avenue, was released from St. Elizabeth Hospital after five sutures were applied to her left arm which had been cut. The girl had run her arm through a storm door Thursday evening.

Five stitches and anti-typing shots were given Don Tanase, 17, son of Mr. and Mrs. Ted Tanase, 2 Terrace lane, Thursday for a cut to his right ring finger.

No Shorts For Visitors Allowed At Hospital

A notice was erected last week in the lobby at St. Elizabeth Hospital advising visitors of a new restriction.

The sign states: "Visitors, please do not wear shorts in this hospital."

More Budget Talk Expected At Tonight's Council Session

Granite City council members are expected to reopen 1960-61 budget talks this evening, although they had hoped last Monday night that the debates were over for at least another year.

The budget, as adopted last Monday, totals \$1,488,447, but a study is underway to determine if the council can legally cut the public library appropriation by \$10,000. That amount was trimmed off the library's portion of the overall budget in a last-minute move for economy.

Because of uncertainty of the library total, preparation of the new budget for publication is being delayed, and work on the city's new tax levy ordinance also is being limited.

Sales Tax To Cut Levy
Mayor Davis announced at a recent council session that a cut can be expected in the city's tax levy through use of sales tax funds for general operating expenses.

Last year, the sales tax funds were used to construct the new fire station, and this year, \$200,000 will be used to resurface Cayuga street, \$79,277 for two drainage line projects and \$450 to paint traffic stripes on Madison avenue.

It has been estimated that possibly \$150,000 might be trimmed off last year's tax levy of \$665,771. The use of sales tax money for general operating expenses, \$28,377.

GC Tax Payments Well Over Million Mark
With \$330,365 in taxes paid Thursday, Friday and Saturday by Granite City property owners, the total amount collected rose to \$1,244,378, according to Collector Frank Sappington.

Part of the \$223,021 collected Friday was paid by American Steel Foundries. August 1 is the deadline for local collection.

No License Charge
Follows Accident
Driving without a license was the charge by Granite City police against Glenn Hoffman, 14, of 2805 Denver street, who they arrested Thursday night following a minor collision on Olive street at Niedringhaus avenue.

The report said Hoffman was backing up on Olive street and struck the left front fender of a parked car owned by John Sturns, 59, of 1833 Olive street, who posted \$16 cash bond pending a hearing.

Minor Crash Reported
An auto driven by Raleigh L. Allen, 31, of 2417 Glen place, damaged the left side of a station wagon owned by H. Meyer, 1603 Bremen avenue, when slippery rails in the 1600 block of Madison avenue caused it to skid sideways. Allen's vehicle was traveling north when the accident occurred at 4:05 Friday morning, the police report said.

Senate Committee Ok's River Dam Appropriation
The U. S. Senate appropriations committee has approved the amount of \$1,500,000 for construction of a low-water navigation dam across the Mississippi River a short distance south of the Chain of Rocks bridge, according to a telegram received here Friday from Sen. Everett McKinley Dirksen.

Initial preparations for start of construction already have been made at the site.

JUDY PURDES HONORED ON 14TH BIRTHDAY

Miss Judy Purdes was honored with a party given by her parents, Mr. and Mrs. Joseph Purdes, in the basement of their home, 1610 Fourth street, Saturday evening in observance of the 14th birthday of the honoree.

The room was decorated in the birthday theme. The refreshment table was decorated for the occasion and was centered with a large decorated cake.

Dancing served as the entertainment for the evening. Guests were Judy Kiser, Mary Ann Bucher, Geraldine Bawiec, Emily Toffant, Mary Lee Svecia, Connie Goff, Sharon Goff, Marilyn Hill, Mickey Graville, Jerry Nishke, Johnny Novich, Johnny Dezan, Frank Star, Michael Hargiel and Skipper Laczniak. Many gifts were opened by the honored guest.

BIRTHDAY BEACH PARTY
The Twilight Youth club celebrated the birthdays of Tommie and Jackie Miller on their 13th birthdays with a beach party at Dunlap Lake, Edwardsville, Thursday. The party was given by Mr. and Mrs. Thomas J. Miller, 1725 Rhodes street, in honor of the birthdays of their twin sons.

Mrs. Lucille Broyles and Mrs. Betty Sabol led square dances and modern dance numbers by the boys and girls.

Those present were Linda Krpan, Susan Kaman, Mary Mossa, Susan Schwertmann, Patricia Havranek, Margaret Mary Karpowicz, Marie Steiner, Kathleen Huckla, Sandy Tuttle, Gary Honerkamp, Larry Sabol, and a number of other youngsters. Casimir Krakowicki, Michael Krakowicki and Harry Krack.

Parents and others attending the beach party were Mr. and Mrs. Stanley Bandzyski and daughter, Susan, of 1217 E. Main street, Mr. and Mrs. Lillian Vincent, 20, of 1727 Edison avenue, who were treated in the evening and John Seymoe, 65, of 2039 Fourteenth street, who was given treatment a short time later.

Keith Sipes, 4, of 2721 Dale avenue, fell off a cycle, and Danny Ehling, 9, of 2519 Devon street, who was hit on the left elbow with a baseball, were given x-rays and emergency care.

Park Invitational Finals Are Set For Tonight

Spengler Oil, Mathews Runs Victory Skein To Eight Straight Games; Chiefs Meet For Softball Tourney Title

Spengler Oil of Granite City and the Palatka Chiefs of Alton will meet in the championship game of the Granite City park district's annual July 4th weekend fast-pitch softball tournament at 8:30 tonight at the Wilson Park diamond.

The consolation finals at 7 p.m. will match Modern Exterminators of Granite City against the St. Louis entry Frisco Railroad.

The final games were scheduled originally for last night, but the entire tournament was set back one day by wet grounds. Class "B" league games on the regular park district schedule for this evening has been postponed until a later date as a result.

Spengler Oil advanced to the finals by downing Frisco in the first round 7-5 behind the five-hit pitching of Carol Gilson and a two-run homer by Jack Scarborough Saturday night, and a 5-4 squeaker over Northsiders of Alton last night, as Nelson Hagman fired a three-hitter and Spengler took advantage of five errors to win only two runs.

The Chiefs stopped Modern Exterminators in a first-round game Sunday 2-0 as Cliff Wacker pitched a two-hitter, and then surprised Miller and Mickey's, local defense men, with "B" state champions, 10-0 last night on Archie Crockett's fourth hit.

In other first-round games, Northsiders stopped the Ravens of the local classic league 4-0 and Miller and Mickey's eked out a 3-2 decision over Granite City Steel Co.

Consolation semi-final games yesterday saw Modern Exterminators out the Steel Co. 9-3 as Jay Hilton blasted a grand slam, home run in the first inning for the winners, and Frisco top the Ravens 6-2 on Irv Rogers' five-hit effort.

Trophies will be awarded to the first and second-place winners and the consolation winner, along with 18 individual trophies to members of the championship team at the conclusion of tonight's final game.

Fulcher, MacZura Win Trophies At Model Plane Meet

Second place trophies were won by John Fulcher in combat and Warren MacZura in flying scale during a model airplane meet held in Springfield, Ill. Sunday.

Fulcher and MacZura represented the Tri-City Sky-Stellers Model Airplane Club.

Other prize winners from the local flying club were Roger MacZura who won a model airplane in model airplane flying scale competition; Richard Fulcher who was awarded a model airplane in the beginner's class; and Terry MacZura, who received a model airplane in the beginner's event.

Other Sky-Stellers members who attended the meet were Bill Null, Ted Jones, Richard Gurn, Bill Fulcher, John Blum, Art Contry, Paul Morris and Terry McCormack. The Sky-Stellers will have an open day this Sunday, but will travel to Terra Haute, Ind., July 17 to compete in a flying meet.

Pitching is proving to be the deciding factor in the northern division of the 22nd district Junior American Legion Baseball League. The best examples of that fact are the members of the Mathews Chevrolet Post 113 team, who are battling a collective 245 in Legion ball this summer, but have a two-game lead in the northern pool and have won eight straight games.

Included in the victory skein are two more wins picked up over the weekend, both due in part to the ability of the Post 113 mound corps, which has allowed just three hits in the last three games.

Mathews defeated southern division leader East St. Louis Friday evening behind the one-hit pitching of Joe Holder, 3-0, and then beat lowly Centerville the next day, 10-2, on a two-hitter by Larry Diak. Grant Thoma-

lian had pitched a no-hitter last Tuesday against East Alton to complete the one-hit-per-game average Post 113 has maintained of late.

Success Homers
Mike Sues connected for a two-run homer, Mathews' second of the season, in the fifth, and a double in the sixth, sacrifice and single by Diak added runs 9 and 10 in the sixth. Scaggs was the losing pitcher.

Holder was just wild enough to be effective Saturday afternoon at Jones Park in East St. Louis, but he also had his strikeout ball working. The Councilmen did not threaten seriously after the second inning, when Don Davis stroked a single, the only hit for East St. Louis, and two batters reached base on free tickets.

Holder Fans 10
Holder walked a total of seven, but struck out 10, including the side in the sixth frame. City Council mound ace Jerry Stokes had scattered three hits and given up one unearned run through the first five innings, but Mathews bunched three runs in the sixth to break the game open.

With one out Larry Diak singled. After Don Dillard went down swinging, catcher Pat Schuman punched out another base hit. Grant Thoma, who followed with a double down the left field line which scored two runs to give Post 113 its final 3-0 lead.

One Granite City run went up on the scoreboard in the fourth when Dillard led off with a base hit, reached second on an infield error, and third on Schuman's medium deep fly out and walked home when Kenny Cook singled.

Cook then sent down a line to steal second to end the frame. The loss left the Councilmen with only a share of first place in the 22nd district's Southern division. They had come into the game with a 9-1 record, but dropped to the same level with 9-2 Belleville Hilgard Post.

Madison Lions Net \$632 For Baseball Leagues
The Madison Lions Club fund-raising campaign for the Madison Khoray leagues netted a total of \$632 to be used for equipment and fees for the league. It was announced at the club's meeting Thursday night.

In other business, President Charles Foley presented Larry Palacas with an award for his services as master of ceremonies at various meetings throughout the past year.

Homers Plentiful As High Scores Are Recorded In All-Star Games

Richard Essington and Bob Newman were the Bantam Division "kings of swat" in Sunday's Wilson Park all-star game between top players from Rogers Hornsby and Owen Friend leagues and another hand-picked group from the Toby Cobb and Johnny Mize teams.

Winning Pitcher Jeff Jones limited the opposition to three runs and four hits, while the victors compiled a commanding lead of 20 runs and 19 hits. The losers committed 14 errors to the winners' favor.

In Sunday's all-star game between the Bantams' Dr. Coleman League and Babe Ruth League, the Coleman pitchers, Perry Taylor, won 13-5 and hit a home run. Teammate Bill Covel aided the winning cause with a four-bagger of his own.

The Alton Division's Salty Parker All-Stars won 29-5 Sunday against the Dirty Dean All Stars.

Within Half Game Of Division Lead; Mercer, Glassmen Tied In Blue Loop

Granite City Sacred Heart, which saw its hold on first place in the Red division of the Inter-City Baseball League vanish a couple of weeks ago, gave Mercer Funeral Home a taste of the same bitter medicine yesterday afternoon at Wilson Park.

The Hearts gained an unexpected lead in both the seventh and eighth frames.

Among the 18 Mercer hits were a bases-loaded double by Catcher Jim O'Master in the first, which drove in three runs, a triple by Charles Johannmeier and a two-run single by Johannmeier in the eighth.

Rich Branding had four hits, and Roger Wells and Johannmeier each had three. Johannmeier was charged with the loss. Gary Weismeyer finished up.

Page Wins No. 7
Page, who said he "was so nervous before the game I had trouble shaving," threw a four-hitter at Mercer yesterday to record his seventh win. The Hearts have eight games in the victory column. He fanned 11 and walked one, and lost a shutout in the seventh when Don Crabtree singled after Page had given up two straight passes.

Page also played the role of a hitting pitcher well. He had three hits in four trips and drove in three runs. Teammate Wayne Pastha socked four singles in five at-bats and drove in two runs. Ed Opich blasted a two-run homer in the seventh and Monroe Worthen tripled in the third to drive in another Heart run.

Joe Holder started for Mercer, lasted 4 1/2 innings, led the game with his club trailing 6-0 and was charged with the loss. Andy Angeloff relieved and went the rest of the way. Angeloff had two of Mercer's four hits, both singles.

McAteer's Toddy Gallus was responsible for moving that club into a tie for first place with Mercer. He threw a seven-hitter at State Savings yesterday in the top attraction for East St. Louis fans and, like Page, lost his shutout in the seventh when State scored its only run.

hundred yards east of U. S. Highway 67 on S. Bypass 66 as the motorcycle given to him, 35, and an auto driven by William Pettrif, 30, of El Paso, Tex., were both traveling east on the bypass.

Pettrif was uninjured but Toynock was struck by the left leg. Mrs. Toynock, 25, received contusions to the elbow and left foot. Both were taken to St. Elizabeth Hospital for treatment and later released.

Gerardine Poletta, 25, of 2613 East 25th street, complained of neck injury and was given emergency treatment at St. Elizabeth Hospital yesterday afternoon following an accident on 19th street at the railroad crossing.

Police said she was driving west and had stopped for a crossing signal when the rear of her car was struck by the driver of a 1935 Buick, 43, of 2222 Dewey avenue, who was traveling west on 19th street. The Buick was charged with driving while under the influence of liquor and following too close.

3 Hurt in Crash
Three East St. Louisans were injured here Sunday evening in the collision of two autos at 18th street and Cleveland blvd. An inquest will be held. Born in Collinsville, Mr. Landwehrmeier had lived here for the past 40 years, and was a farmer. A member of St. John United Church of Christ, he was also a member of the Madison County Farm Bureau and St. Clair, Madison, Monroe, Illinois State National Vegetable Growers of America.

Mr. Landwehrmeier is survived by his wife, Mrs. Myrtle Landwehrmeier; a daughter, Mrs. Mae Thompson, Granite City; three brothers, Landwehrmeier of Granite City, Fred Landwehrmeier of Edwardsville and Ervin Landwehrmeier of Madison; two sisters, Mrs. Freda Kaufmann of Alhambra and Mrs. Alma Stanz of Granite City, and three grandchildren. Funeral arrangements are given in today's obituary column.

Motorist Hurt
Mrs. Mary D. Taff, 40, of 2428 Benton street, suffered injury to her right leg and ankle Sunday evening in a collision of two cars at 23rd street and Edison avenue. She was charged by police with failure to yield right-of-way and was freed upon posting her driver's license at bond.

Police said she was driving north on Edison avenue, while the other auto was being operated west on 23rd street by Owen L. Friend, 53, of 2160 Cleveland blvd. Mrs. Taff was given emergency treatment at the local hospital. Both autos were towed away.

Car Hits Pole, Driver Hurt
Bernard Artz, 40, of 1608 Kirkpatrick home, a steel mill employee, suffered a deep cut to his forehead and was admitted to St. Elizabeth Hospital, where he was taken by ambulance Saturday morning after his auto crashed into a utility pole in the 2100 block of Nemoak road.

Artz was charged by police with careless driving and operating a motor vehicle without a driver's license. He told officers he was traveling north when his auto was forced off the road by an oncoming car. His damaged auto was towed away.

3 Hurt On Highway
Three persons were injured Sunday morning in a two-car collision at the intersection of State routes 35 and 111, near Lakeside street. The driver of one car, J. H. Bartels, 61, of 2210 Adams street, who suffered abrasions to both knees, was issued an arrest ticket by state troopers for failure to yield right-of-way.

Bartels was traveling east on route 35, while the other car was being operated north on Route 111 by Eddie L. Williams of East St. Louis. The others injured were passengers in Williams' auto. Mrs. Willie Mae Washington, 40, a cut to her forehead, and her son, Robert,

Mrs. Osterkamp, 95, Passes Away Today

Mrs. Mathilda Miller Osterkamp, 95, of 2613 East 25th street, died of infirmities at 12:05 a.m. today at Madison County Nursing Home, Edwardsville. She had been at the home one year.

Mrs. Osterkamp moved to Granite City in 1947, after residing formerly in Gillespie. She was a member of the Jehovah Witnesses. One of her grandchildren is Hollywood actor Howard Keel.

She also is survived by two daughters, Mrs. Donald (Reatha) Bowler of Granite City, Mrs. Homer (Grace) Keel of Los Angeles, Calif.; two sons, George Osterkamp of Burbank, Calif., and Mino Osterkamp of Gillespie; two sisters, Mrs. Michael (Lida) Broewer of Gillespie, and Mrs. Henry Anna Engelman of Conway Springs, Kans.; 10 grandchildren and 22 great-grandchildren.

Funeral arrangements are given in today's obituary column.

Mrs. Pritchett, 57, Dies of Cancer Sunday

Mrs. Mary Josephine Schmitz Pritchett, 57, of 2713 Harding avenue, died of cancer at 4:40 a.m. Sunday at St. Elizabeth Hospital, St. Louis, after an illness of two years. She had been a patient there three months, undergoing a leg amputation three weeks ago because of a blood clot.

Born in Luehring, Mo., Mrs. Pritchett had been employed here as a mail clerk by the Granite City Engineer Depot. She was a member of St. Joseph's Catholic Church, St. John United Church of Christ, and the Church Alliance Society.

She is survived by a daughter, Thelma (Joan) Mains of Granite City; a son, Gary Pritchett of Granite City; a brother, Ernest Pritchett of St. Louis; two sisters, Miss Lucille Schmitz of Granite City and Mrs. Cavanaugh of Richwood, Mo.; and one grandchild. Passenger Injured
Charles O. Drennan, 55, of 2203 Lee avenue, was issued an arrest ticket Friday by Granite City police on a charge of careless driving following an auto accident on Madison avenue at 20th street, which injured Frank Lamb, 47, of 1810 Park avenue, a passenger in the other auto.

Leub, a Granite City Steel Co. employee, complained chest injuries. He was transferred to Barnes Hospital, St. Louis.

Drennan ran a red light traveling north and collided with an auto driven by Mrs. Mary A. Lamb, 46, who was making a right turn at 20th street onto Madison avenue. Drennan posted \$11 cash bond.

Bicyclist, 4, Injured
Fourth-grader Darwin "Chip" Evans, 4, son of Mr. and Mrs. Darwin Evans of 2380 Washington avenue, narrowly escaped serious injury Friday afternoon when he rode his bicycle into the path of an auto driven by Donald Cook, 34, of Venice Homes. Cook was traveling east on 20th street when the accident occurred in the middle of the block between Edison and State streets, police said. The bike was rendered useless but "Chip," taken to his home by Cook, suffered only a bruised right leg.

TYPICAL POLITICAL ANALYSIS GROUP meeting at the Tri-Cities Chamber of Commerce to discuss some phase of our political setup, at one of nine weekly meetings. John J. McBride, vice-president of Union Starch & Refining Co., (at chart) was discussion leader for this group, sponsored by the C. of C. This particular group has since disbanded, but others are expected to be organized in the near future.

Practical Politics Courses Dynamic, McBride Relates

With the coldly impartial eyes of chemists, about 175 Quad-City businessmen have during the past year analyzed and explored practical politics in nine special preparing themselves for more courses, with an end toward effective participation in politics preparing themselves for more regardless of party.

John J. McBride, vice-president and general manager of Union Starch & Refining Co., and former discussion leader of one of the analytical groups, explained the "action course in practical politics" in detail during a recent interview.

He said the course, sponsored nationally by the Chamber of Commerce of the United States, develops in participants their "ability to analyze political problems and work out suitable solutions."

The programs, McBride said, grew out of a need on the part of businessmen to engage actively in political affairs—rather than just contribute money to things without any knowledge of how they are run.

Misconceptions Unveiled
"Our students get the feeling of going through the experiences of individuals who get into politics—and some of the misconceptions you discover you had are quite remarkable," the executive added.

The courses, sponsored locally by the Tri-Cities Chamber of Commerce and various industrial firms, are comprised of nine two-hour sessions (or any combination, although this is preferred). All sessions are conducted as workshops, with members preparing in advance by studying pamphlets concerning the political phase to be discussed.

The sessions are completely dynamic, McBride stressed, in that no set solutions exist to the case problems, which represent actual situations that may develop in politics.

"You discuss party activities, similarities and differences, the pitfalls of politics, and the increasing importance of getting good men into office. Everything is done on a strictly impartial basis," the executive said. "And one of the remarkable things I've found is that everybody respects everybody else's opinion."

Politics and Conscience
As a result of taking the course, McBride said one of the

things participants are sometimes surprised to learn is that people in politics are "conscientious, honest and sincere. The average layman thinks any politician is a crook when actually they may be making substantial personal sacrifices."

"In many cases, your politicians could be more financially successful in business or industry—though of course you also find the part-time politician."

McBride heartily endorsed the course—or something conducted on a similar plan—as a basic part of America's educational system.

"This can be a really basic civics course, in my opinion," he said, "especially if taught during the junior or senior years of high school."

The Subject Matter

The nine sessions of the course, as it now exists, concern the Individual in Politics, Political Party Organization, the Political Precinct, the Political Campaign, Political Clubs, the Political Leader's Problems, Political Meetings, Businessmen in Politics and the Politician Speak.

Thomas A. Sullivan, plant manager at A. O. Smith Corp., was discussion leader and moderator of the first pilot group in the area about a year ago, McBride said. Since then, eight courses have been completed here and one more is still under way.

These completed were under the auspices of Union Starch & Refining Co., A. O. Smith Corp., Granite City Steel Co., the Chamber of Commerce and the pilot group under Sullivan.

Although most of the sponsoring groups have been industries, and participation in the courses was usually limited to employees on a level determined by the backer, McBride said any type of group could sponsor the courses.

Neighborhood Projects

"It can be a neighborhood project carried out by women's clubs, parent-teacher associations, church or other organizations, because the material lends itself to any type of group," he said.

The ideal size for the groups is about 18-20 members, he said, because you have a sufficient number of viewpoints represented, but not so many members

\$2700 Loss Friday In W. Granite Fire

Smoking in bed was the probable cause of a fire Friday morning at a two-story frame house at 2312 Missouri avenue. West Granite station firemen answered a call at 5:25 a.m. and remained at the scene an hour and 50 minutes.

The fire started in a second floor bedroom, it was learned, apparently from a cigarette igniting a mattress. When the mattress began to smoulder, fire department personnel said someone dragged it out of the bedroom and onto a back porch. From there, the fire appeared to have crept up a wall and into the attic, and then to the roof. Damage to the house, owned by Mrs. Marie Williams, was estimated at \$2500 and damage to the contents at \$200.

Go-Carts Reported In Street

A report of some boys driving go-carts in the 2100 block Manley avenue Thursday drew a Granite City police patrol car, but no sign of the boys or carts could be found when police arrived.

Two-Day Deluge Gives June Rainfall Record

A deluging 95 per cent of 1/100 of an inch of rainfall was recorded.

More rain fell in June than in any other month this year. Previously, May held the record with 4.27 inches. June's 5.59 inches surpassed the mark by a respectable 1.32 inches.

Past records indicate that during June 1939, the Quad-City area was moistened by a mere .72 inches of rainfall.

Other readings for the 1960 year are: January, 1.30 inches; February, 1.37; March, 2.73; April, 2.86; and May, 4.27.

Summer College Study

Larry Douglas Rudder, 2920 Harding blvd., has enrolled in the 46th annual summer school at Wheaton College for the first and second terms, ending July 22 and August 19. He is taking special study in the subject of the Bible. The school is located at Wheaton, Ill.

Recuperating From Surgery

Mrs. Mildred Crabtree of 1824 Second street, Madison, is recuperating from surgery performed recently at Lutheran Hospital, St. Louis. She will remain in the hospital about two more weeks.

Teacher Completes Course

Miss Lucy Parrish, 2207a Iowa street, recently completed a workshop for high school business teachers held at Southern Illinois University, Carbondale. The workshop, designed as an attempt to improve business education, was attended by 61 teachers.

10,337 Enrolled In GC At End Of School Year

The 1959-60 school year ended with 10,337 students enrolled in the Granite City district, an annual report by Supt. Harold M. Kaiser showed today.

The 10,337 total included 1055 in kindergarten, 5643 in the six elementary grades, 2090 in the seventh, eighth and ninth grades, 1516 in the tenth, eleventh and twelfth high school grades and 33 in special classes.

The 9282 non-kindergarten students included 1923 at Granite City high school, 1230 at Coolidge junior high, 855 at Central junior high, 227 at the East 23rd street grade school, 301 at Emerson, 578 at Frohardt, 469 at Logan, 454 at Marshall, 414 at Maryville road, 302 at McKinley, 428 at Mitchell, 521 at Nameoki, 292 at Niedringhaus, 264 at Stallings, 507 at Washington, 421 at Webster and 386 at Wilson avenue.

Of the 1055 kindergarten pupils, 32 were enrolled at East 23rd, 56 at Emerson, 123 at Frohardt, 70 at Logan, 93 at Marshall, 85 at Maryville road, 57 at Mitchell, 78 at Mitchell, 118 at Nameoki, 62 at Niedringhaus, 26 at Stallings, 79 at Washington, 66 at Webster and 95 at Wilson avenue.

During the last six weeks of the term, May 1-June 10, there were 24 new entries and 75 withdrawals (19 transferred and 56 dropped), reducing the enrollment by 41, from 10,578 to 10,337.

Attendance in the first through twelfth grades averaged 94.69% in May and 96.98% in June. Kindergarten attendance was 88.76% in May and 95.48% in June.

Defraud Charge

Charles Green, proprietor of Green & Son's Ice Creamery, 2500 Denver street, signed a complaint Thursday charging Charles E. Fitzpatrick, 26, of 8311 Emzee avenue, with defraud by check. Fitzpatrick pleaded not guilty before Police Magistrate Gasparovic and was released on \$100 property bond to appear for a hearing July 26. Green said the amount of the check was \$23.36.

That anyone is left out of the discussion.

He suggested that anyone wanting more information about joining or starting one of the groups contact Harlan Dobry, secretary of the Tri-Cities Chamber of Commerce, for full details.

The number of courses under way now is low, he said, because of the slow summer season with its high vacation rate.

McBride, who was a sociology and economics instructor at Loyola University Graduate School in Chicago prior to his present executive position, defined politics as:

"The system of selecting and choosing the people who will administer the affairs of our country—and of course, our country means every facet of it from local towns to national government."

Pontoon Residents Complain Of Stench

The stench of stagnant water began plaguing residents of the Pontoon Beach area as a result of last week's heavy rains, according to complaints received by the Press-Record.

The residents point out they were making progress in recent years toward getting drainage in the area of Division street and Central lane when Nameoki township changed road commissioners and an engineer for the East Side Levee & Sanitary District passed away.

Homer Marmion, 4150 Division street, said that while most streets and roadways in the area are clear, ditches along the road remain filled with water and low-lying areas also are water filled and becoming stagnant.

"The stench is almost unbearable," he commented.

He recalled that steps were taken, starting in 1958, with the circulation of petitions for the situation to be remedied. It was told there is a sufficient slope for the water to be drained into Long Lake," Marmion said. "This was verified by a county engineer, but so far we have not been able to get anything done."

Marmion said, "We've talked to township officials, county officials, levee district officials and even state officials. We've received lots of promises, but nothing has been done. We're still in water."

He added that the installation of new water lines in the Pontoon Beach area does not seem to be blocking drainage. "It's just the same old condition that always has existed."

The Pontoon Beach resident said a large number of persons "are up in arms" and hope to obtain drainage this year.

"This is developing into a health menace, and we're going to do everything we can to correct it," Marmion added.

United Fund Moving Into High Gear For 1960 Campaign

The United Fund, sponsor of social services which at some time touch most every family in the Quad-Cities, is well under way in preparing for its annual fall fund-raising campaign which will be held this year during the first three weeks of October, according to John Solenberg, area executive director.

To supervise this year's "give where you work" campaign, which supports 18 local agencies and as many as 15 national ones, chairmen and vice-chairmen have been selected to head six areas where contributions can be made. Industry, employees (continuous contribution), business, professional, government, special gifts, and organizations, all of which are supervised by the campaign general chairman, James Hamilton Jr.

The fund supports social agencies in four general areas, youth and recreation, child care and

family case work, health services, and general community services, in addition to contributing to national agencies which provide services for local residents.

In the area of youth and recreation, the fund supports the Boy Scouts, the Girl Scouts, Madison Teen Town, Y Teen Town and the YMCA (including maintenance), while for child care and family casework, it provides funds for Boys' Town of Illinois, in Graton, Catholic Charities, Co-ordinated Youth Services, Protestant Welfare and the Salvation Army.

Aid to retarded children, the Health Services Fund, Mental Health Association and the Visiting Nurses Association make up the health services provided by the fund. Among the general community services provided by the fund is support of the Red Cross, AFL-CIO Community Services, United Fund Adminis-

tration and the Servicemen's Center at the YMCA.

Serving as division chairmen are: Robert Gengler and Gerald Sykes, employees of MacDonald and G. W. Hoelscher; Walter Klotzmeier and Milton Morris, government; J. W. Senoff and C. A. McMillan, insurance; and James Hamilton Jr., public relations.

In some cases, such as the Red Cross, Servicemen's Center and aid to retarded children, the fund provides the total cost of the program. In others, such as the Boy and Girl Scouts, Catholic Charities, the Teen Towns and the Salvation Army, the fund provides part of the cost while other sources, such as the state,

contributions and taxes, provide the remainder.

The proportion of the fund earmarked for national agencies, such as the USO, Traveler's Aid and the Blind Veteran's Association, is determined by the amount of service they might provide for local residents.

Last year's drive collected \$282,292 in one of the most successful campaigns in recent years, topping the goal of \$277,136 by \$15,156.

This year's goal has not yet been set, though Solenberg hopes this year's drive will collect more persons in addition to soliciting larger individual contributions.

The United Fund began operation in this area in 1957, replacing the Community Chest and including agencies such as the Red Cross, the Health Services Fund, Visiting Nurses' Association and Boys' Town, not members

Cost of transporting students to Granite City schools in 1959-60 amounted to \$113,470, a year-end report by Supt. Harold M. Kramer shows. The district had budgeted \$108,000, but costs ran over, partly due to a shift program conducted last fall because a construction strike had delayed completion of new schools.

Possibility of consolidating some runs and eliminating next school year. Some of the new West 25th street junior high school, which will reduce the number of children residing from a mile and a half to 178 days, with the daily costs averaging \$644.

A breakdown of the \$113,470 total follows: Granite City high school, \$23,894; Coolidge junior high, \$25,805; Central junior high, \$22,262; Logan, \$3633; Stalings, \$5419; Nameo, \$1144; Prohardt, \$2731; Maryville road, \$2594; Mitchell, \$11,158; East 22nd street, \$886; Prohardt shift program, \$2627; educable mentally handicapped program, \$3837; Legal lunch program, \$1312; high school special students, \$964; junior high special students, \$722; elementary special pupils, \$2731; high school athletics, \$2117; junior high athletics, \$838; cab service, \$300; and East St. Louis class, \$386.

Monthly costs were \$11,139 for 17 days in September; \$14,333, 21 days, October; \$10,476, 17 days, November; \$8827, 14 days, December; \$12,066, 19 days, January; \$12,751, 20 days, February; \$13,131, 21 days, March; \$12,670, 19 days, April; \$13,857, 21 days, May; and \$4193, seven days, June.

United Fund Groups To Confer With Agencies

Plans to confer with member agencies of the local United Fund this week and next week were made during the first full membership meeting of the United Fund board's admissions and distributions committee Thursday evening.

The meetings will consist of budget conferences between each of the five panels and a three-member committee panel and the agencies in its category. The five panels deal with youth and recreation, child care and family casework, health services, general community service and national agencies.

At the meeting of the 15-member committee, presided over by Chairman Harold F. Karandjeff, it was decided to attempt to arrive at realistic budget figures in the discussions with agency officials. After the series of meetings is concluded, the full committee will meet again to determine its recommendations on final agency totals and the United Fund budget for this fall's U.F. drive.

James L. Hamilton Jr., drive chairman, addressed the group briefly Thursday night.

Auto Skids 90 Feet Then Spins Into Crash

An auto going west on Niedringhaus avenue skidded half-way around and faced south as autos driven by Clarence B. Kearby, 52, of 1601 Olive street, and Dean V. Lee, 60, of 3910 Franklin avenue, were involved in an accident in the 1100 block of Niedringhaus avenue Friday afternoon.

According to a report by Granite City police, Kearby's auto skidded about 90 feet, then spun around into the left side of Lee's vehicle. Lee was being pulled out of a driveway and was making a left turn onto Niedringhaus avenue, the report said.

Mrs. Irma Rozsnyal, 77, Dies At Home

Mrs. Irma Rozsnyal, 77, of 1726 Maple street, died about 3 a.m. Friday at her home. She had been ill five years suffering from a heart ailment and had been under a physician's care.

Mrs. Rozsnyal, a native of Hungary, had resided in the Quad-Cities area for 30 years and was a member of St. Joseph's Catholic Church.

Survivors include her husband, John; a daughter, Mrs. Helen Alabach, and a son, Coleman Rozsnyal, both of Gary, Ind.; two sisters, Mrs. Lenka Lipiak of Madison and Mrs. Helen Jones of Chicago; and four grandchildren.

Local Teacher Attends Educators' Convention

Miss Louise P. Doshier, of 2200 Lincoln avenue, third grade teacher at Niedringhaus school, was among the more than 15,000 teachers and educators who attended the 98th annual convention of the National Education Association in Los Angeles last week.

The week-long convention ended July 1, and Miss Doshier is expected to return to Granite City on Friday. She served as an official delegate to the annual convention from the Marquette Division of the Illinois Educational Association.

Theme of the week-long meeting was "A United Profession Enhances Quality in Education." Topics ranged from such practical classroom problems as the use of teaching machines to long-range planning toward an adequate space age curriculum.

Petitions To Be Circulated For Health Department

One of the final steps in the drive to establish a full-time county health department, that of circulating petitions, will be arranged in a few weeks at the next public meeting of those supporting the drive. Dr. Felicia Koch, chairman of the planning committee, reported.

The date of the meeting is still undetermined but its agency is nearly complete. Standing committees and permanent officers will be selected in addition to the distributing of petitions to persons who will then set about circulating them in the county at large.

A referendum to be included in the Nov. 8 election would be a direct result of favorable reception to the petitions which must carry signatures of at least 5% of the 117,138 registered voters in Madison county, or approximately 6000, Dr. Koch said.

In earlier public meetings, proposals for establishment of the health service, which would be controlled by a county health department consisting of eight non-salaried citizens and staffed by full-time professionals, have been supported by many local groups and individuals.

GC Steel Sales Over \$80 Million For Half

Granite City Steel Co. sales for the first half of 1960 were slightly over the \$80,000,000 mark as shipments approximated 577,000 tons, Nicholas V. Veeder, chairman of the board and president, reported.

In comparison, the totals for the first half of last year were \$85,173,388 when the company had a record second quarter as a result of the impending steel strike. Shipments in the first half of 1959 were 585,000 tons.

Profits will be less for the first half this year than the \$8,304,326 or \$1.95 a share shown for the 1959 six-month total.

During the quarter just ended the company operated at 93 per cent capacity and shipped 208,000 tons of steel.

Zoning Controls Meet Opposition In Bethalto

Proposals for land use and zoning controls in unincorporated areas of Madison county met strong opposition at a public meeting last week in Bethalto similar to the one held recently in Granite City.

In the last of five meetings held throughout the county to acquaint residents with the intended ordinance, about one-third of the 45 land owners present objected to the proposals.

Presenting advantages of the program and answering questions were Everett Lawrence of Kincaid & Associates, employed to make the land use and zoning survey; Thomas Butler, president of the Madison County Plan Commission; and Alton May, chairman of the Zoning and Subdivision Control Committee of the Madison county board of supervisors.

The next step in the program, May said, will be to draw up a county plan and zoning ordinance and then hold public meetings in every township as required by state law.

Contracts Awarded For Bridges And Separation

Contracts were awarded last week for construction of two three-span parallel bridges over Cane Creek on Route 70 and a nine-span separation structure carrying Sand Prairie Lane over route 70, both approximately three miles west of Collinsville.

J. A. Ripenstein, director of the Dept. of Public Works and Buildings announced.

American Bridge Division, U. S. Steel Corp., Chicago, will supply the steel for \$132,442, and Cowman & Sons, East St. Louis, will build the bridges for \$334,682. Steel for the separation structure will be furnished by Allied Structural Steel Co., Chicago, for \$55,624, and it will be built by S. J. Groves & Sons, Springfield at a cost of \$668,222.

Truck Blamed In Venice Auto Mishap

A truck blocking the vision of two motorists was blamed as the cause of a collision at Fourth street and Lincoln avenue, Venice Friday afternoon.

Loretta Ziegler, 48, of 7044 Main street, told Venice police that driving west, she had started across Fourth street on to the Lincoln street cut-off when she was involved in a collision with the southbound car of George Nicholas, 32, St. Louis. Police say both drivers blamed a standing truck with obstructing their views and causing damage of approximately \$100 each to the automobiles.

Pair Charged In Restaurant Fracas

Charged with creating a disturbance at John Mangiarino's restaurant, Fourth street and Madison avenue, at 11:30 p.m. Thursday, Lloyd D. Stubbfield, 21, of 1629 Delmar, and Jerry D. Taylor, 22, 2104a Benton, both of Granite City, were arrested the next day on a complaint filed by the Madison police chief, Barney Freundorf.

The pair was released, pending a hearing in police magistrate court on Friday.

Placed On Probation

Atlie Anderson, 45, of 2620 Denver street, who was arrested Friday night at his home on a police charge of drunkenness and a complaint of creating a disturbance, filed by Maholi Anderson, was fined \$10 and costs on each charge during a hearing before Police Magistrate, but the fines were stayed in lieu of a year's probation. He pleaded guilty on both counts.
